About

Academic Affairs Kuali Build Community of Practice

"A community of Kuali Build users to connect, collaborate and create."

Designed to support the refreshed Strategic Plan and strategy for **Operational Alignment**.

Deploy common tools and structures to enable flexibility and efficient coordination with local solutions, also making it easier to work across the university and extend the reach of ideas and activities.

C **Connect**: -Build Community -Grow Resources -All Experience Levels

C **Collaborate**: -Bring Qs & As -Learn by Collective Experience -Share Lessons Learned

C **Create**: -Build Better Apps -Improve Workflows -Reduce Waste

News?

Mar 4th: Coming Soon: Workflow Status Button Moving and New Workflow Notifications History Configuration Option

We wanted to give you a heads up on some changes related to Workflow Status that will be deployed this Thursday 3/16.

Mar 13th: New Current Workflow Step Option in Metadata

We've added a new meta data field of 'Current Workflow Step' which will display the name (Step Label) of the current step where the document is in the workflow.

Mar 18th: New PDF Experience!

The new PDF export utilizes a headless browser to get a PDF that is much closer to what the form looks like on the screen
